

OWNERSHIP OF SECURITIES

The following table sets forth certain information regarding the beneficial ownership of Tesla's common stock, as of June 30, 2021, for the following:

- each person (or group of affiliated persons) who is known by us to beneficially own 5% of the outstanding shares of our common stock;
- each of our non-employee directors;
- each of our current executive officers named in the Summary Compensation Table of this proxy statement; and
- all current directors and executive officers of Tesla as a group.

In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed to be outstanding all shares of common stock subject to options or other convertible securities held by that person or entity that are currently exercisable or exercisable within 60 days of June 30, 2021. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person. Applicable percentage ownership is based on 984,002,651 shares of Tesla's common stock outstanding at June 30, 2021.

Unless otherwise indicated, all persons named below can be reached at Tesla, Inc., 3500 Deer Creek Road, Palo Alto, California 94304.
